

SUBJECT: Radio Equipment, Strawberry Point, Scituate, Massachusetts

TO : MID, G-2, War Department General Staff

REFERENCE: WDGS Ltr MID 910.3 dated 11 September 1947

1. Reference letter was not forwarded to Captain William O. Edwards as records in this office supply the desired information.

2. Subject equipment was part of a test conducted by the Strategic Services Unit and was terminated with the closing out of SSU. The personnel and equipment were removed on 11 July, 1947, incident to the liquidation of SSU.

3. The subject project, having been carried out by SSU, was an Army project, incident to which there was no damage or hazard to Army property. The location at Scituate, Massachusetts, was used by this organization with the full knowledge of Lieutenant General O. W. Griswold, the then Commanding General, First Service Command, as indicated in his letter dated 16 May 1946.

4. Upon the closing out of this project, it is desired to express appreciation for the cooperation received by those concerned with this operation.

KNOX P. PRUDEN  
Colonel, AGD  
Adjutant
